**Dump The Pump and Ride for Free June 16<sup>th</sup>**

**Brevard County, FL** – Space Coast Area Transit will join with other public transportation systems nationwide to participate in the 11th annual **Dump the Pump Day**. Residents can download a free round-trip bus ticket from RideSCAT.com that allows passengers to ride the bus for free on Thursday, June 16<sup>th</sup>.

Sponsored by the American Public Transportation Association, the one-day event encourages residents to try riding public transportation and save money instead of driving a car. “Saving money is on everyone’s minds,” stated Jim Liesenfelt, Director of Space Coast Area Transit. “Dump the Pump Day provides an opportunity for our residents to try their local transit system for free,” he said.

The latest [Transit Savings Report](#) shows that a two-person household that downsizes to one car can save an average of \$9,000 per year. For bus maps and schedules, call the Space Coast Area Transit RideLine at 321-633-1878. Additionally, interactive maps and schedules, a Google Transit trip planner, and a transit savings calculator are available on RideSCAT.com desktop and mobile websites. A Space Coast Area Transit app is available on Google Play and the iTunes store.
