

TITLE VI CIVIL RIGHTS ASSURANCE

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in program activities receiving Federal financial assistance. Title VI states: “No person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied benefits of, or be subjected to discrimination under any program or activity receiving Federal assistance” (42 USC 2000d).

Further, Title VI provides for Environmental Justice, guaranteeing fair treatment for all people and provide for agencies to identify and address, as appropriate, disproportionately high and adverse effects of its programs, policies, and activities on minority and low-income populations. Environmental Justice includes taking reasonable steps to ensure that Limited English Proficiency (LEP) persons have meaningful access to programs, services, and information provided by Space Coast Area Transit.
