### Item II. Meeting Minutes

Motion to accept by Felicia Wilson. Camille Tate second. Roll call vote: unanimous motion to accept.

#### Item III. Reports

#### Section 3.01 Community Transportation Coordinator's Report

- Intelligent Transportation Systems installation is in progress; it includes global positioning (GPS) antennas, tracking system, automatic passenger counters and other information. Joe Connors and Terry Jordan have been coordinating with our vendor.
- State Transit Conference October 2020, award for Most Innovative and Creative for our Ride with Jim Program. Multiple additional marketing awards.
- Beach Trolley Service has been unveiled in Cocoa Beach and Cape Canaveral with a small ceremony in Cocoa Beach.
- Working with Token Transit for mobile fare payments contactless payment system.
- COVID Pandemic has had a big effect on our ridership, still down 30% but still in line with other transit systems nationwide. We have taken many steps to make the buses safer for our riders and operators, including Gencie concentrated disinfecting fogger to kill viruses.
- Cares Act money for transit through the Federal Transit Administration.
  - Question: Fares waved, have you received any positive feedback from the general public? Answer: People have generally appreciated. We helped to maintain social distance limits by utilizing additional buses. We restored fares in October, we were one of the later systems to do that and received pushback from clients but the majority seemed to understand.
  - Question: Would like to have a mask requirement on all the buses.
    Answer: I appreciate that and we will consider. We have taken our guidance from the Board of County Commissioners but do require masks on all paratransit routes.

#### Membership

We have vacancies on the board at this time. Rocky Randall and James Stringer who is in attendance today, have placed application to join the board. We will be acting on the applications soon.

The process is for our organization to advertise and publicize the openings. If we receive more than one applicant for a seat, a committee made up of one representative from the Local Coordinating Board, a staff member from the Transportation Planning

Organization and one staff member from Brevard County Transit Services who will then make a recommendation to the Space Coast Transportation Planning Organization. The Space Coast Transportation Planning Organization will certify the membership.

#### Section 3.02 Transportation Disadvantaged Planning Grant Report

These reports are necessary to receive the grant. This is a record of it. Karen Petters provides the statistical information. Several meetings and workshops are held throughout the year. Karen Petters and Scott Nelson have been working with the Transportation Disadvantage Commission to ensure we receive grant funding. They are changing the formula on how they allocate and it may affect our grant for 2022.

# Section 3.03 Brevard County Transit Services Transportation Disadvantaged Performance Report Card

No discussion was held.

#### Section 3.04 Volunteers in Motion Report

Ridership is up and we need more drivers. Since the start of the pandemic we have gotten three new volunteer drivers. They provide service for frail and elderly due to age or health condition that need to get to medical appointments or grocery shop. Volunteers are needed at this time, especially in the afternoons.

#### Item IV. New Business

#### Section 4.01 Approval of Annual By-Laws

A question was presented as to why the Florida Department of Veteran Affairs or Florida Veterans no longer has a voting voice at the meetings. Motion to allow the Florida Department of Veteran Affair or Florida Veterans be allowed to be a voting member with the board. At some point they were dropped and a motion to reinstate the veterans. 427.012 subsection 1B reference Florida Department of Veteran's Affairs. The voting rights should be reinstated; it is a minor change and will amend the motion that Veteran's will be added back into the bylaws.

A formal motion was made by Linda Howard, second by Felicia Wilson. Unanimous roll call vote; motion passes.

#### Section 4.02 Approval of Grievance Procedures

No proposed changes. Motion to approve Jennifer Cleveland, second by Almetia Britton. Unanimous roll call vote; motion passes.

#### Section 4.03 Approval of the Annual Operating Report

Presentation by Karen Petters. Annual Operating Report is submitted to the Transportation Disadvantaged Commission.

Formal motion to approve the Annual Operating Report was made by Linda Howard, second by Almetia Britton. Unanimous roll call vote; motion passes.

Section 4.04 Transportation Disadvantaged Service Plan Update; Presentation by Tindale – Oliver

Presentation and overview of Transportation Disadvantaged Service Plan by Elizabeth Shuck. Strategic plan for the Transportation Disadvantaged services in Brevard County. It is a requirement for state Transportation Disadvantaged funding. This plan covers fiscal years 2020 – 2025. Goals, objective and actions for the next five years were outlined in the development plan.

Motion to approve the Transportation Disadvantaged Service Plan was made by Felicia Wilson, second by Dennis Vannorsdall. Unanimous roll call vote; motion passes.

#### Item V. Member Reports

Member Jennifer Cleveland reported that she has received multiple complaints from those who qualify for American's with Disabilities Act transportation who are not receiving it. This is the same issue that we have had for years and would like to find out where it stands. Carmen Baez addressed the issue with her Customer Service Representatives for both complaints. A formal letter will also now be sent out to applicants informing them of their approval.

Riders Guide: Ms. Cleveland inquired about the update on the Rider's Guide. Carmen Baez informed Ms. Cleveland that the update had been emailed to Ms. Cleveland as requested.

Holiday Service: Ms. Cleveland inquired about holiday service as disabled and lowincome people still have transportation needs on holidays. Scott Nelson addressed her concerns. There are only three holidays where Brevard County Transit Services is

without service. Other holidays run Saturday Service and placards are always put up in the bus. It is also displayed on the website. If you have transportation needs on a holiday, please call to schedule a paratransit ride in advance.

#### Local Coordinating Board Adjournment at 11:23 A.M.

#### Item VI. Public Hearing

#### Local Coordinating Board Public Hearing Call to Order at 11:24 A.M. by Andrea Young, Chair

James Springer inquired as to why Route 6 only has one bus running on the weekends. What will it take to get additional service on weekends for the working population? Scott Nelson addressed: The Board of County Commissioners has approved three additional routes effective April 3, 2021. The new routes include: Central Titusville, Port St. John and South Beaches. A second bus will also be added to Route 6 on Saturday and Route 6 service will begin on Sunday.

#### 5 U.S.C. § 552b

§ 552b. Open meetings

(a) For purposes of this section--

(1) the term "agency" means any agency, as defined in section 552(f) of this title, headed by a collegial body composed of two or more individual members, a majority of whom are appointed to such position by the President with the advice and consent of the Senate, and any subdivision thereof authorized to act on behalf of the agency;

(2) the term "meeting" means the deliberations of at least the number of individual agency members required to take action on behalf of the agency where such deliberations determine or result in the joint conduct or disposition of official agency business, but does not include deliberations required or permitted by subsection (d) or (e); and

(3) the term "member" means an individual who belongs to a collegial body heading an agency.

(b) Members shall not jointly conduct or dispose of agency business other than in accordance with this section. Except as provided in subsection (c), every portion of every meeting of an agency shall be open to public observation.

(c) Except in a case where the agency finds that the public interest requires otherwise, the second sentence of subsection (b) shall not apply to any portion of an agency meeting, and the requirements of subsections (d) and (e) shall not apply to any information pertaining to such meeting otherwise required by this section to be disclosed to the public, where the agency properly determines that such portion or portions of its meeting or the disclosure of such information is likely to--

(1) disclose matters that are (A) specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and (B) in fact properly classified pursuant to such Executive order;

(2) relate solely to the internal personnel rules and practices of an agency;

(3) disclose matters specifically exempted from disclosure by statute (other than section 552 of this title), provided that such statute (A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (B) establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) involve accusing any person of a crime, or formally censuring any person;

(6) disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(7) disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would (A) interfere with enforcement proceedings, (B) deprive a person of a right to a fair trial or an impartial adjudication, (C) constitute an unwarranted invasion of personal privacy, (D) disclose the identity of a confidential source and, in the case of a record compiled by a

criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source, (E) disclose investigative techniques and procedures, or (F) endanger the life or physical safety of law enforcement personnel;

(8) disclose information contained in or related to examination, operating or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(9) disclose information the premature disclosure of which would--

(A) in the case of an agency which regulates currencies, securities, commodities, or financial institutions, be likely to (i) lead to significant financial speculation in currencies, securities, or commodities, or (ii) significantly endanger the stability of any financial institution; or

(B) in the case of any agency, be likely to significantly frustrate implementation of a proposed agency action.

except that subparagraph (B) shall not apply in any instance where the agency has already disclosed to the public the content or nature of its proposed action, or where the agency is required by law to make such disclosure on its own initiative prior to taking final agency action on such proposal; or

(10) specifically concern the agency's issuance of a subpoena, or the agency's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the agency of a particular case of formal agency adjudication pursuant to the procedures in section 554 of this title or otherwise involving a determination on the record after opportunity for a hearing.

(d) (1) Action under subsection (c) shall be taken only when a majority of the entire membership of the agency (as defined in subsection (a)(1)) votes to take such action. A separate vote of the agency members shall be taken with respect to each agency meeting a portion or portions of which are proposed to be closed to the public pursuant to subsection (c), or with respect to any information which is proposed to be withheld under subsection (c). A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. The vote of each agency member participating in such vote shall be recorded and no proxies shall be allowed.

(2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the agency close such portion to the public for any of the reasons referred to in paragraph (5), (6), or (7) of subsection (c), the agency, upon request of any one of its members, shall vote by recorded vote whether to close such meeting.

(3) Within one day of any vote taken pursuant to paragraph (1) or (2), the agency shall make publicly available a written copy of such vote reflecting the vote of each member on the question. If a portion of a meeting is to be closed to the public, the agency shall, within one day of the vote taken pursuant to paragraph (1) or (2) of this subsection, make publicly available a full written explanation of its action closing the portion together with a list of all persons expected to attend the meeting and their affiliation.

(4) Any agency, a majority of whose meetings may properly be closed to the public pursuant to paragraph (4), (8), (9)(A), or (10) of subsection (c), or any combination thereof, may provide by regulation for the closing of such meetings or portions thereof in the event that a majority of the members of the agency votes by recorded vote at the beginning of such meeting, or portion thereof, to close the exempt portion or portions of the meeting, and a copy of such vote, reflecting the vote

of each member on the question, is made available to the public. The provisions of paragraphs (1), (2), and (3) of this subsection and subsection (e) shall not apply to any portion of a meeting to which such regulations apply: <u>Provided</u>, That the agency shall, except to the extent that such information is exempt from disclosure under the provisions of subsection (c), provide the public with public announcement of the time, place, and subject matter of the meeting and of each portion thereof at the earliest practicable time.

(e) (1) In the case of each meeting, the agency shall make public announcement, at least one week before the meeting, of the time, place, and subject matter of the meeting, whether it is to be open or closed to the public, and the name and phone number of the official designated by the agency to respond to requests for information about the meeting. Such announcement shall be made unless a majority of the members of the agency determines by a recorded vote that agency business requires that such meeting be called at an earlier date, in which case the agency shall make public announcement of the time, place, and subject matter of such meeting, and whether open or closed to the public, at the earliest practicable time.

(2) The time or place of a meeting may be changed following the public announcement required by paragraph (1) only if the agency publicly announces such change at the earliest practicable time. The subject matter of a meeting, or the determination of the agency to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement required by this subsection only if (A) a majority of the entire membership of the agency determines by a recorded vote that agency business so requires and that no earlier announcement of the change was possible, and (B) the agency publicly announces such change and the vote of each member upon such change at the earliest practicable time.

(3) Immediately following each public announcement required by this subsection, notice of the time, place, and subject matter of a meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and phone number of the official designated by the agency to respond to requests for information about the meeting, shall also be submitted for publication in the Federal Register.

(f) (1) For every meeting closed pursuant to paragraphs (1) through (10) of subsection (c), the General Counsel or chief legal officer of the agency shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemptive provision. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the agency. The agency shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to the public, except that in the case of a meeting, or portion of a meeting, closed to paragraph (8), (9)(A), or (10) of subsection (c), the agency shall maintain either such a transcript or recording, or a set of minutes. Such minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any rollcall vote (reflecting the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(2) The agency shall make promptly available to the public, in a place easily accessible to the public, the transcript, electronic recording, or minutes (as required by paragraph (1)) of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting, except for such item or items of such discussion or testimony as the agency determines to contain information which may be withheld under subsection (c). Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The agency shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any agency proceeding with respect to which the meeting or portion was held, whichever occurs later.

(g) Each agency subject to the requirements of this section shall, within 180 days after the date of enactment of this section, following consultation with the Office of the Chairman of the Administrative Conference of the United States and published notice in the Federal Register of at least thirty days and opportunity for written comment by any person, promulgate regulations to implement the requirements of subsections (b) through (f) of this section. Any person may bring a proceeding in the United States District Court for the District of Columbia to require an agency to promulgate such regulations if such agency has not promulgated such regulations within the time period specified herein. Subject to any limitations of time provided by law, any person may bring a proceeding in the United States Court of Appeals for the District of Columbia to set aside agency regulations issued pursuant to this subsection that are not in accord with the requirements of subsections (b) through (f) of this section and to require the promulgation of regulations that are in accord with such subsections.

(h)(1) The district courts of the United States shall have jurisdiction to enforce the requirements of subsections (b) through (f) of this section by declaratory judgment, injunctive relief, or other relief as may be appropriate. Such actions may be brought by any person against an agency prior to, or within sixty days after, the meeting out of which the violation of this section arises, except that if public announcement of such meeting is not initially provided by the agency in accordance with the requirements of this section, such action may be instituted pursuant to this section at any time prior to sixty days after any public announcement of such meeting. Such actions may be brought in the district court of the United States for the district in which the agency meeting is held or in which the agency in question has its headquarters, or in the District Court for the District of Columbia. In such actions a defendant shall serve his answer within thirty days after the service of the complaint. The burden is on the defendant to sustain his action. In deciding such cases the court may examine in camera any portion of the transcript, electronic recording, or minutes of a meeting closed to the public, and may take such additional evidence as it deems necessary. The court, having due regard for orderly administration and the public interest, as well as the interests of the parties, may grant such equitable relief as it deems appropriate, including granting an injunction against future violations of this section or ordering the agency to make available to the public such portion of the transcript, recording or minutes of a meeting as is not authorized to be withheld under subsection (c) of this section.

(2) Any Federal court otherwise authorized by law to review agency action may, at the application of any person properly participating in the proceeding pursuant to other applicable law, inquire into violations by the agency of the requirements of this section and afford such relief as it deems appropriate. Nothing in this section authorizes any Federal court having jurisdiction solely on the basis of paragraph (1) to set aside, enjoin, or invalidate any agency action (other than an action to close a meeting or to withhold information under this section) taken or discussed at any agency meeting out of which the violation of this section arose.

(i) The court may assess against any party reasonable attorney fees and other litigation costs reasonably incurred by any other party who substantially prevails in any action brought in accordance with the provisions of subsection (g) or (h) of this section, except that costs may be assessed against the plaintiff only where the court finds that the suit was initiated by the plaintiff primarily for frivolous or dilatory purposes. In the case of assessment of costs against an agency, the costs may be assessed by the court against the United States.

(j) Each agency subject to the requirements of this section shall annually report to the Congress regarding the following:

(1) The changes in the policies and procedures of the agency under this section that have occurred during the preceding 1-year period.

(2) A tabulation of the number of meetings held, the exemptions applied to close meetings, and the days of public notice provided to close meetings.

(3) A brief description of litigation or formal complaints concerning the implementation of this section by the agency.

(4) A brief explanation of any changes in law that have affected the responsibilities of the agency under this section.

(k) Nothing herein expands or limits the present rights of any person under section 552 of this title, except that the exemptions set forth in subsection (c) of this section shall govern in the case of any request made pursuant to section 552 to copy or inspect the transcripts, recordings, or minutes described in subsection (f) of this section. The requirements of chapter 33 of Title 44, United States Code, shall not apply to the transcripts, recordings, and minutes described in subsection (f) of this section.

(l) This section does not constitute authority to withhold any information from Congress, and does not authorize the closing of any agency meeting or portion thereof required by any other provision of law to be open.

(m) Nothing in this section authorizes any agency to withhold from any individual any record, including transcripts, recordings, or minutes required by this section, which is otherwise accessible to such individual under section 552a of this title.

New bus route information

Brevard County Transit Services Department

For Immediate Release: March 12, 2021 Contact: Lance Parker Director of Operations and Maintenance Office: 321-635-7815 EXT 52952 Iance.parker@brevardfl.gov

#### Space Coast Area Transit Adds Three Routes on April 3rd Titusville, Port St. John and South Beach Receive New Bus Service

Space Coast Area Transit will begin service on three new fixed routes starting April 3rd, servicing Titusville, Port St. John, and adding an additional bus route in the beach area south of Patrick Air Force Base and north of US 192. All three new routes are currently funded by the Federal Transit Administration CARES Act.

#### Route 10, Central Titusville

Due to continued requests and development in the Central Titusville area, the new Route 10 will begin operating weekdays from 7:00 AM to 7:55 PM and on Saturdays from 8:00 AM to 5:55 PM. Major stops include Titus Landing, Titusville Library, Parrish Healthcare Center, Publix Supermarket at Colonial Coast Crossing, Parrish Health and Fitness, Titusville Walmart, and Aldi Supermarket. At Titus Landing, riders can transfer to Route 1 Titusville/Viera, Route 2 Titusville, and Route 5 Titusville/Mims. View a Route 10 map and schedule at <u>321Transit.com/10</u>. Route 11, Port St. John

This route brings transit service to what has long been called a "transit desert", a new service priority for many years. Route 11 will operate weekdays from 7:07 AM to 8:04 PM and on Saturdays from 8:07 AM to 6:04 PM. Major stops include Cocoa Commons, Publix at Indiavista Center, Brevard Heath Alliance, Port St John Plaza, and Port St John Social Security Administration. At Cocoa Commons, riders can transfer to Route 6 Cocoa/Rockledge. View a Route 11 map and schedule at 321Transit.com/11.

#### Route 30, South Beach Connector

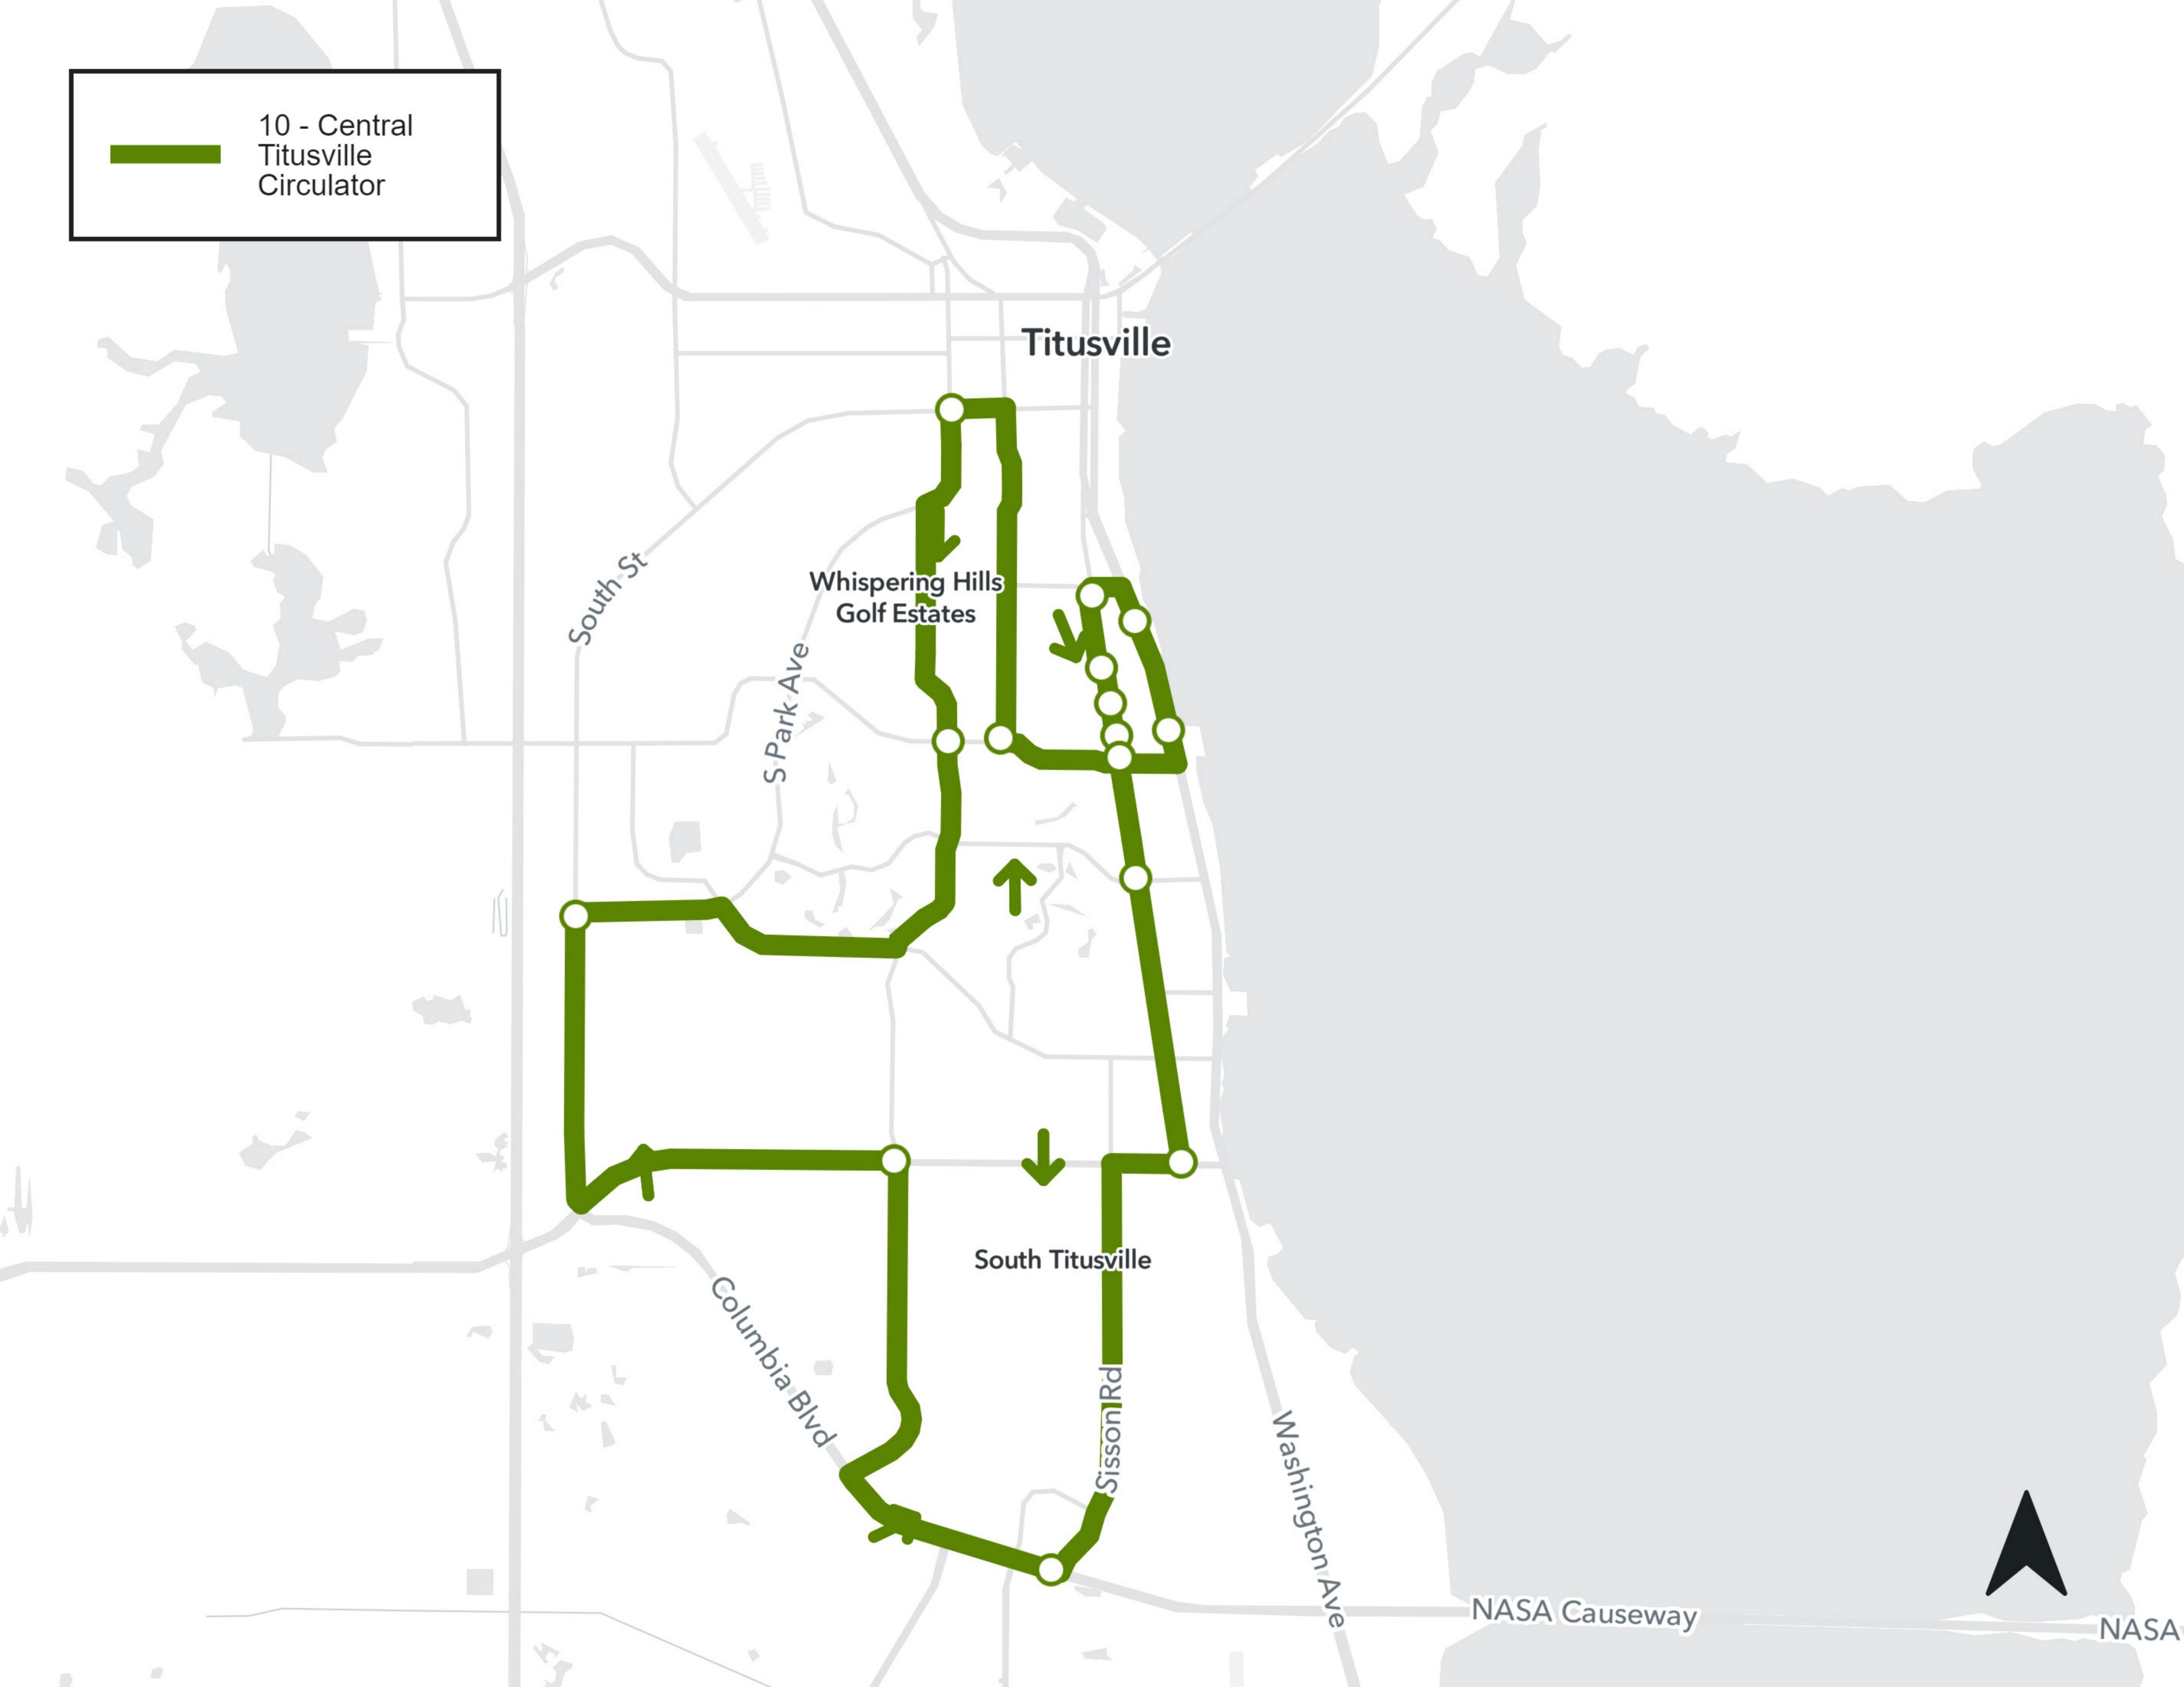

This route separates existing Route 26 into two segments, providing a shorter overall trip for passengers along the beachside. The new Route 30 will operate weekdays from 7:00 AM to 7:55 PM and on Saturdays from 8:00 AM to 5:55 PM. Major stops include the Orlando-Melbourne International Airport, Florida Tech, Downtown Melbourne, Melbourne Beach, Canova Beach, Indian Harbour Place, Eau Gallie Art District, and Melbourne City Hall. Along the route, riders can transfer to Route 21 Downtown Melbourne, Route 24 Melbourne/Eau Gallie, Route 25 Melbourne/Palm Bay, Route 26 South Beach, and Route 29 Melbourne/Viera. View a Route 30 map and schedule at 321Transit.com/30.

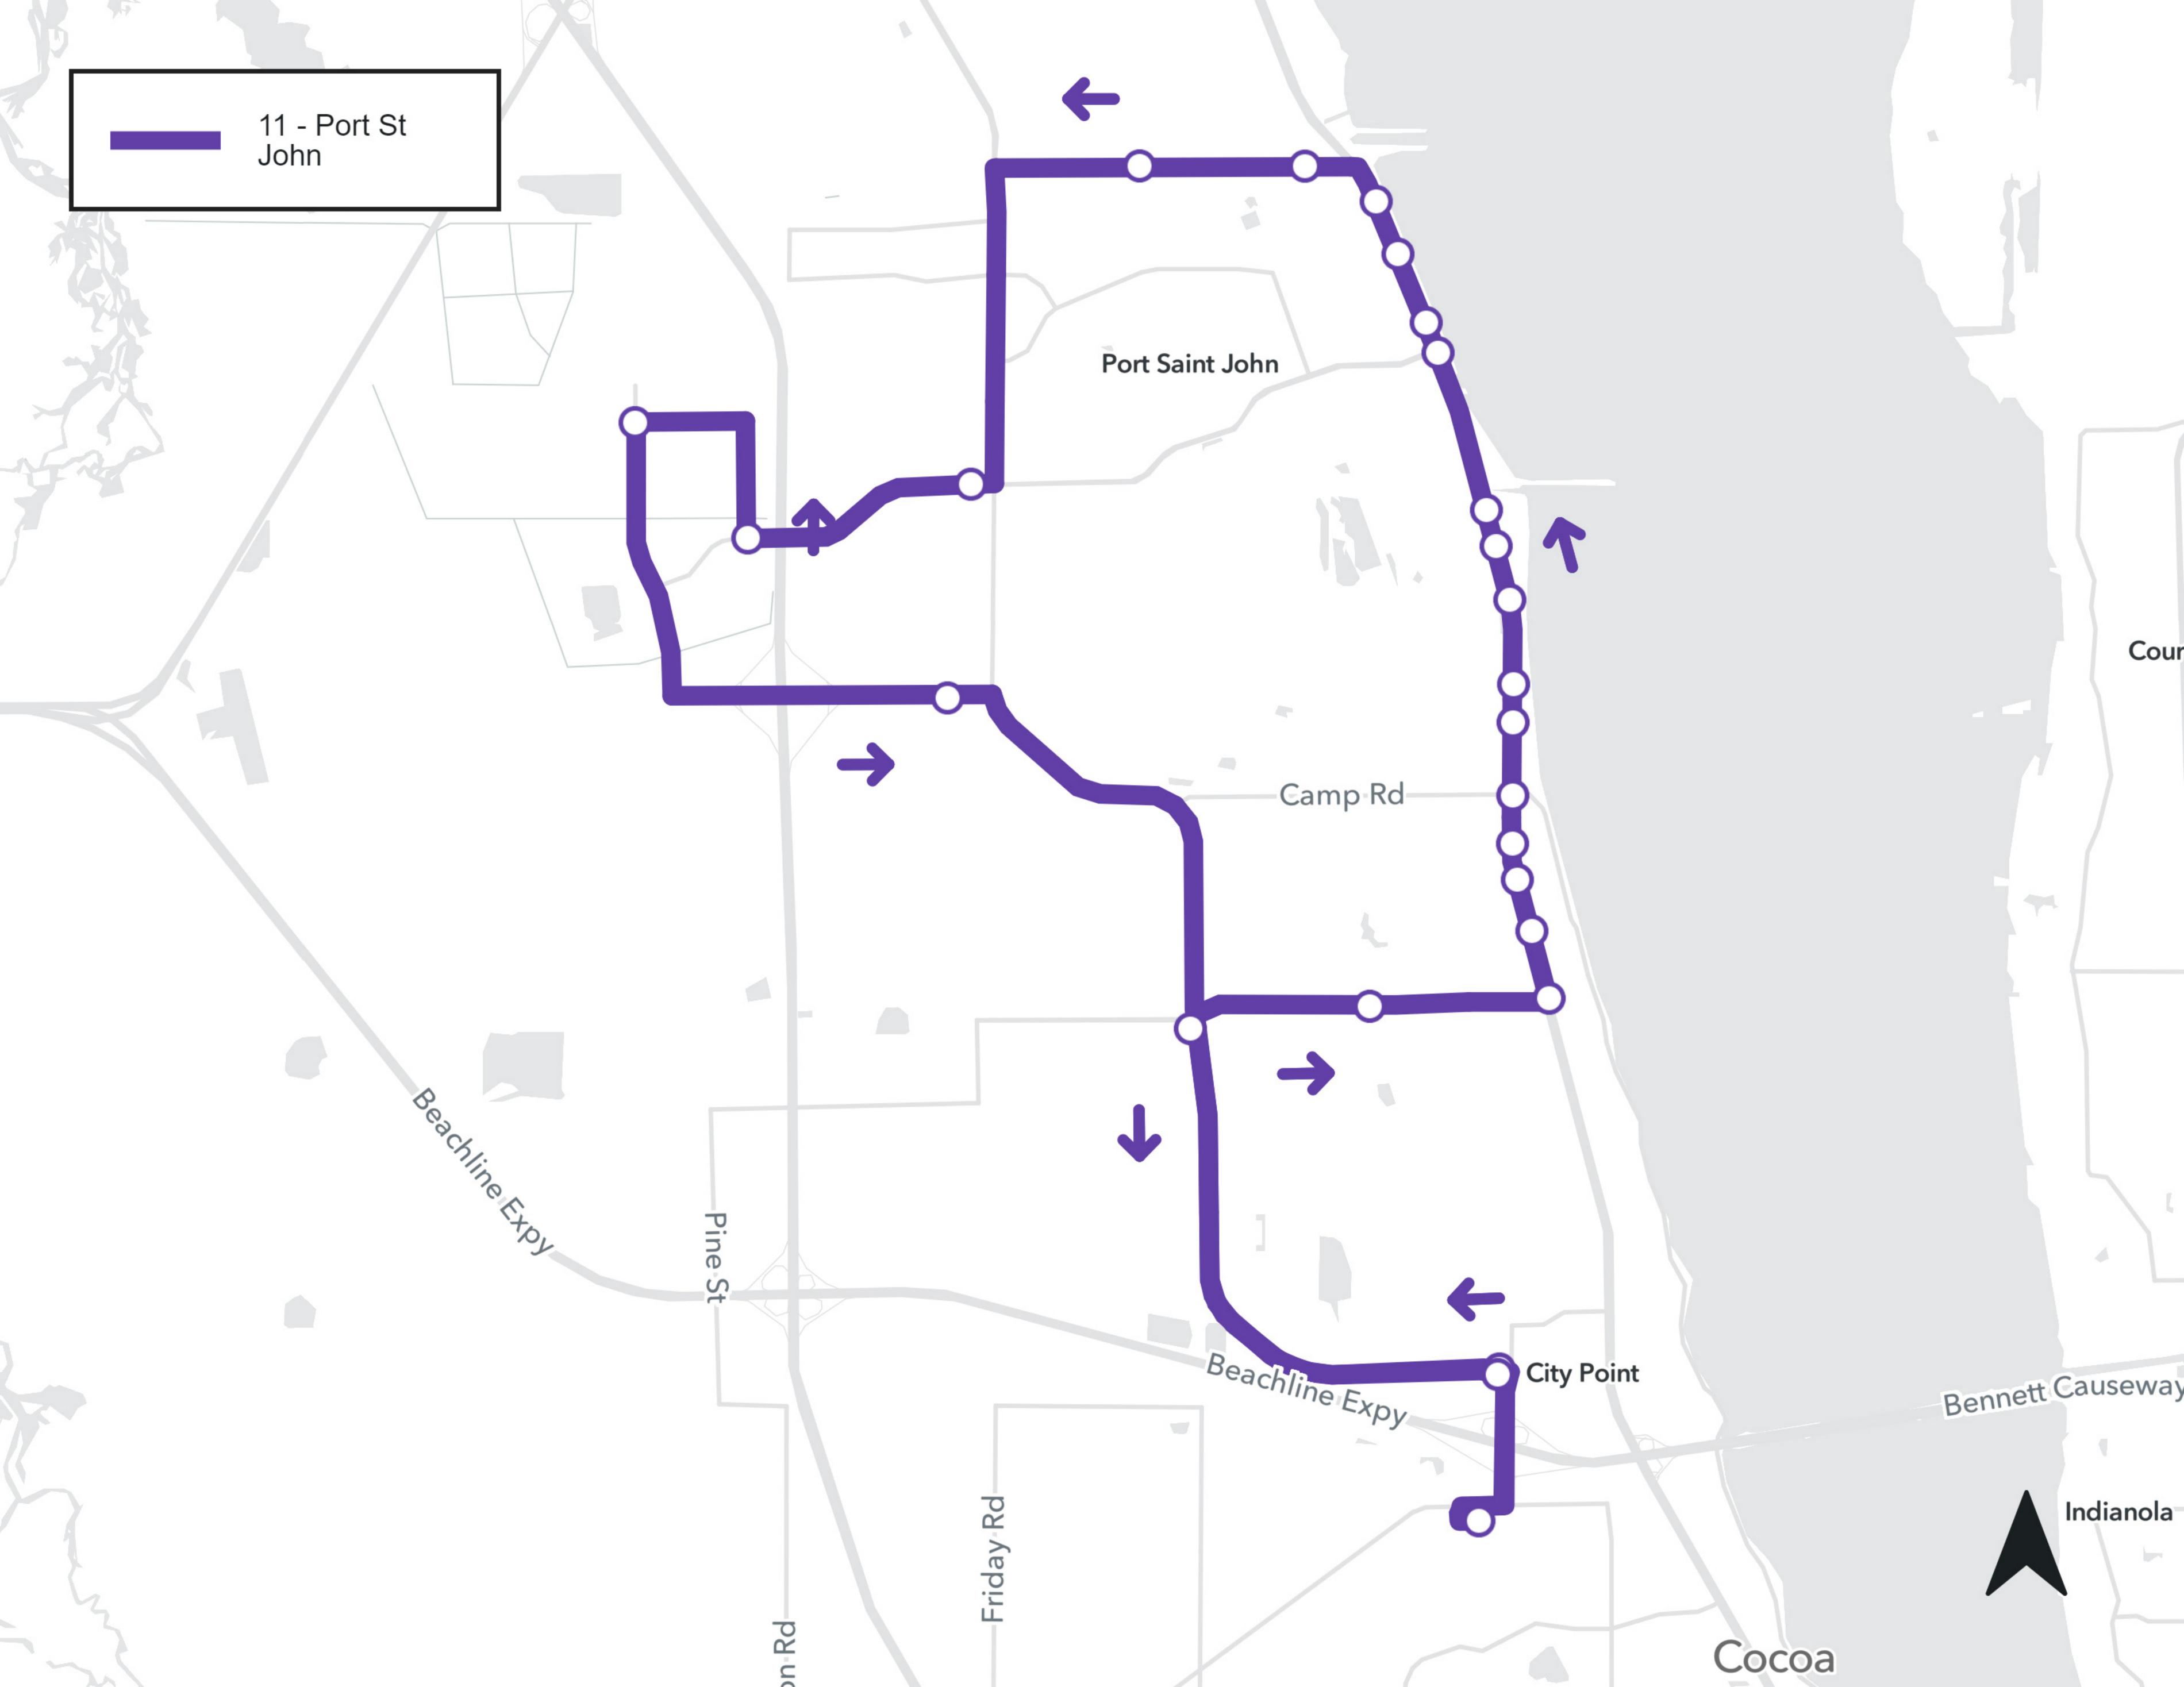

Additionally, the current **Route 26**, **South Beach**, will be revised to serve the area between Indian Harbour Place at Publix and S. Atlantic Ave in Cocoa Beach with 60-minute headways instead of the current 2-hour frequency. Riders can then transfer to the new Route 30 which incorporates the southern portion of the former Route 26. This change gives Route 26 enough time to transfer every hour to Route 9 Cape Canaveral/Cocoa Beach at S. Atlantic Ave and S. Atlan

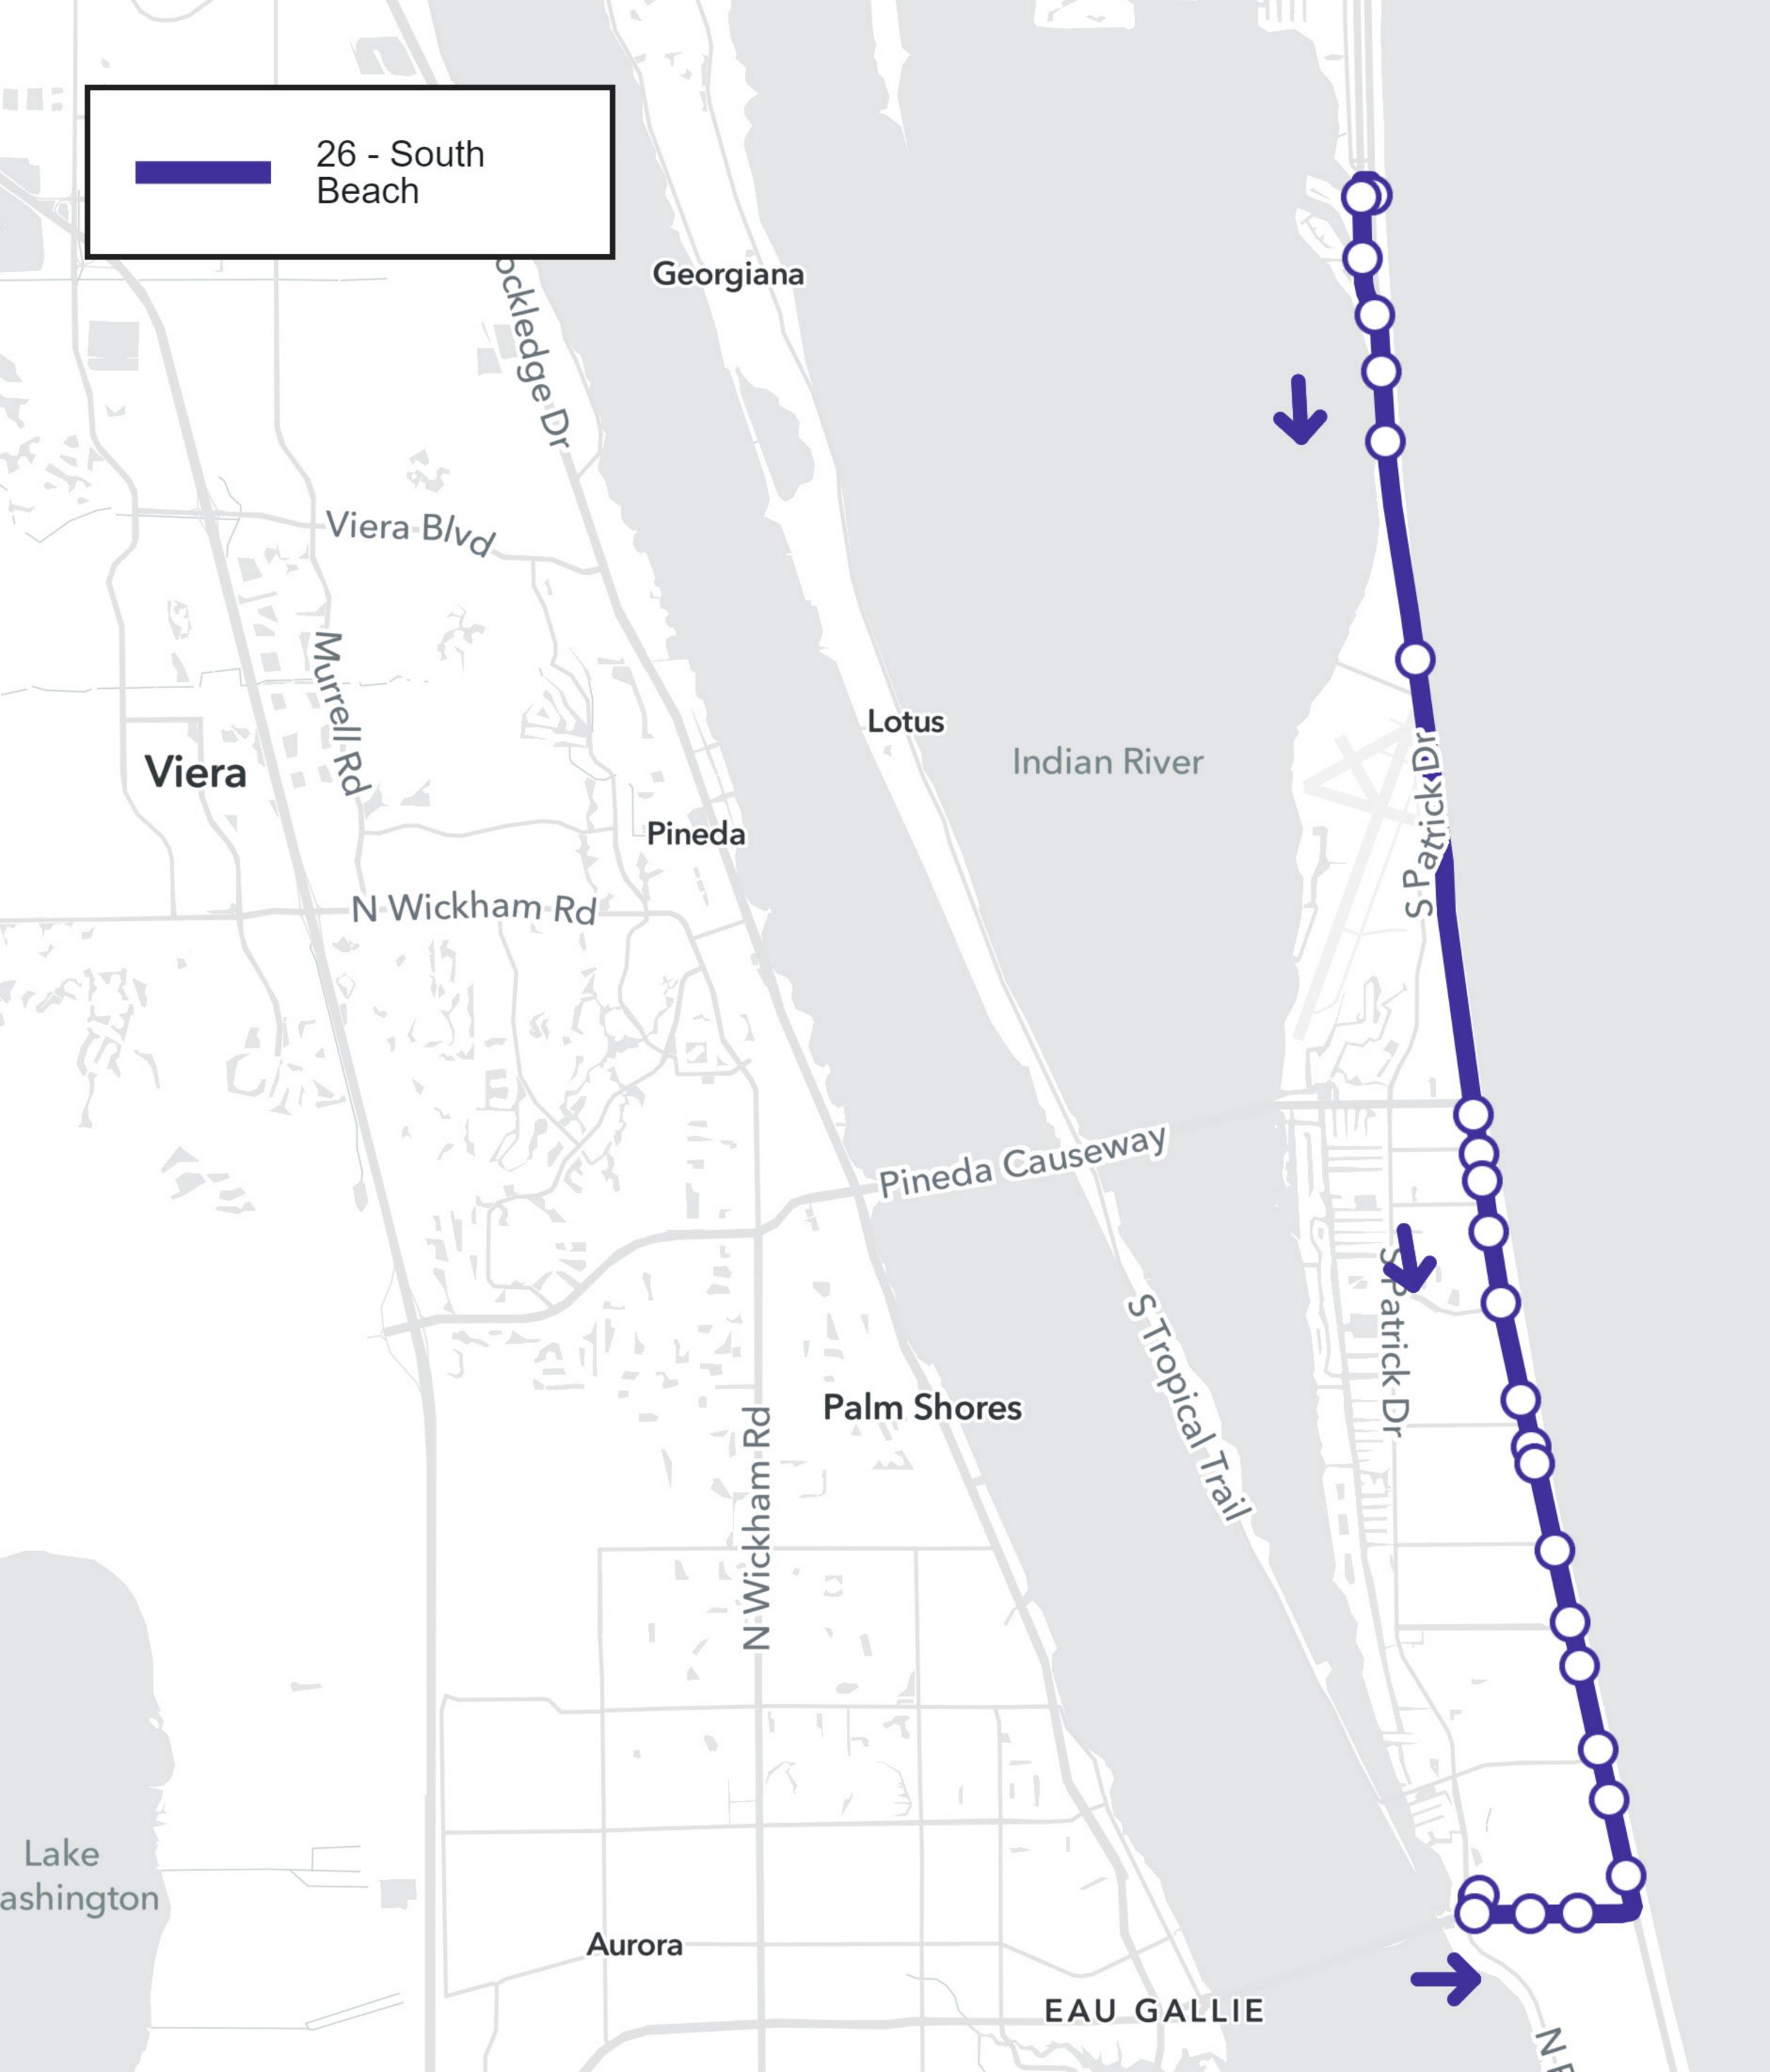

"For those who rely on public transit to get to work, school, the grocery store, and other essential places that help sustain their livelihood, this expansion equals peace of mind for both them and their families," stated Lance Parker, Space Coast Area Transit's Manager of Operations and Maintenance.

New and updated routes and schedules take effect April 3<sup>rd</sup>. For questions, call the RideLine at 321-633-1878. Transit Services is a department of the Brevard County Board of County Commissioners.

Hi Kathy, when is the next transportation disadvantaged meeting? I need to get it on my calendar so I can be sure to be there.

Also I'd like to put it on the agenda that we revisit the issues with customer service. It appears that nothing is changing.
