**Reduced Fare Transit Riders To Receive New IDs**

Space Coast Area Transit is in the process of updating their fare structure. In order to verify current eligibility, anyone who is currently riding the bus at a reduced fare will need to receive a new ID. Space Coast Area Transit employees will be manning tables at designated Brevard County Libraries starting September 8th to issue the new free IDs, which include the riders photograph. Ongoing announcements regarding designated library locations, dates and times, will be made on the Space Coast Area Transit Facebook Page @321Transit, through Twitter @321Transit, and on the home page of 321Transit.com.

“Although verifying current eligibility for our reduced fare riders is a necessary process, we want to ensure that none of our valued customers are inconvenienced,” stated Scott Nelson, Interim Director of Space Coast Area Transit. “In addition to issuing new reduced fare ID cards at designated Brevard County libraries, staff at the Cocoa and Melbourne transit terminals will be available Monday – Friday from 8:00 AM - 4:30 PM, to assist riders with providing a new reduced fare ID.”

Those eligible for reduced bus fare include seniors 60+, disabled, veterans, and students. In order to qualify for the reduced fare ID, riders may bring in one of the following: a driver’s license, Medicare card, Department of Veteran’s Affairs ID, or a Brevard County School ID. Eastern Florida State College Students will continue to ride for free with their valid student ID that contains a sticker supplied by the EFSC security office.
